EDUCATION

St. Johns College of Engineering and Technology

Bachelor of Technology in Computer Science | CGPA: 7.49

Yemmiganur, Andhra Pradesh

2022 – 2026

Akshara Sree Jr College

Higher Secondary (Class XII) | 85%

Adoni, Andhra Pradesh

2020 – 2022

SKILLS

Languages: Java, Python, JavaScript, SQL

Frameworks: Node.js, Express.js

Web: HTML, CSS

CS Fundamentals: DSA, OOP, DBMS, OS, CN

Tools: Git, GitHub, Postman

EXPERIENCE

Full Stack Developer

Helixline Genomics Pvt Ltd

Jan 2026 – Present

Remote

- Developing full-stack applications, APIs, dashboards, and database systems.
- Worked on authentication, performance optimization, and production features.

Software Development Intern

TAP Academy, Bengaluru

Jan 2026 – Present

- Completed end-to-end training in software development and industry practices.
- Worked on hands-on projects involving frontend, backend, and real-world workflows.
- Learned AI-Agentic coding tools to improve development productivity.

PROJECTS

E-Commerce Website | HTML, CSS, JavaScript, Node.js, Express.js, EJS, SQL

- Built a full-stack e-commerce platform with authentication, cart, and order management.
- Connected frontend with backend and SQL for dynamic data handling.
- Implemented checkout flow and session-based login.

Agri Diagnosis Chatbot | HTML, CSS, JavaScript, Dataset Integration

- Developed a system to detect **plant and animal diseases** from uploaded images and provide diagnosis from a dataset.
- Designed the frontend of the Agri Cure website ensuring a simple and farmer-friendly interface.
- Integrated dataset-driven responses to deliver accurate and quick disease suggestions.

Weather App | HTML, CSS, JavaScript, OpenWeatherMap API

- Created a responsive web application to display real-time weather updates including temperature, humidity, and conditions.

ACHIEVEMENTS

1st Place – Tech Vista Project Expo | St. Johns College of Engineering and Technology

[Certificate](#)

- Secured **First Place** for presenting a socially relevant and innovative technical project.
- Competed against teams from 2nd, 3rd, and 4th year students in the CSE department.

2nd Place – 24 Hour Hackathon (Ideathon & Codeathon) | RGM College of Engineering & Technology

[Certificate](#)

- Awarded second place in a 24-hour hackathon for developing an innovative problem-solving solution under time constraints.

CERTIFICATION

Full-Stack Web Development (Apna College, 2024)

- Mastered MERN stack, RESTful APIs, database design (SQL/MongoDB), and version control with Git.
